

SI Leader Application: Current Grade Form

Supplemental Instruction
Iowa State University

Candidate Name: _____
Current Semester: _____

Dear Instructor:

The student providing you with this form has expressed interest in becoming a Supplemental Instruction (SI) Leader. One qualification of the SI Leader position is a grade of B+ or higher in the course for which the student will be a Leader. Unfortunately, this qualification may exclude students currently enrolled in a course from applying to be a Leader until after the course is completed.

To provide current students an opportunity to apply to be a SI Leader for next semester, we will accept an instructors' estimation of a student's current grade as an indication of academic ability. If you are comfortable doing so, please fill out this form in support of your student's application to become a SI Leader.

Please note that if a student is hired prior to receiving a final grade, the hiring will be conditional until a final grade in the course is confirmed.

Please contact me if you have questions. Thank you for your assistance!
